

# **Vale of York Pharmacy Opening Hours – 2017/18**

## Introduction

A pharmacy must open to provide pharmaceutical services for its core contractual and supplementary hours each week. Where the pharmacy would ordinarily be open on a Bank Holiday (including Good Friday, Easter Sunday and, Christmas Day) the hours that it would ordinarily be open will, on those days, be treated as having been open for the purpose of counting the core contractual hours that week.

In England, the days that a pharmacy will not be required to open during Christmas and New Year 2017/18 are:-

- 25<sup>th</sup> December, 2017 – Bank Holiday
- 26<sup>th</sup> December – Bank Holiday
- 1<sup>st</sup> January, 2018 – Bank Holiday

During the planning for Christmas and New Year 2017/18 NHS England has been required to direct a number of pharmacies to open in addition to the existing directions that are in place. This includes practices within the Vale of York, which are noted in Annex A.
